Championship of South Still Undetermined-Commodores Outrush, but Lack Punch.

Birmingham, Ala. November 23.—
Vanderbilt University and Auburn College football teams battled to a tie here to-day, and as a result the championship of the South remains undecided. Vanderbilt seored a tuuchdown in the first quarter, in the last minute of play. The goal was kicked, and the score stood 7 to 0 in the Commodores favor until the third quarter.

In the second quarter Vanderbilt outrushed the Auburn men, but lacked the strength to push the ball over. In the third quarter the Commodores continued to rush the Auburn team, but in the early gay the ball was fumbled by a Vanderbilt man. Newell, for Auburn, grabbed the pigsikin and made a terrific dash down the field. He ren thirty-five yards at a ten second clip, and planted the ball between Vanderbilt's goal posts. The goal was kicked, and the score stood 7 to 7.

Newell was the brilliagt star for Auburn. Ressijac also played a star game.

In the final quarter the Vanderbilt men showed better mettle than the Alabamians, but in the crucial stages were unable to put it over. The Commodores were held for downs on the Auburn two-yard line in the final period and again on the Auburn five-yard line. The Vanderbilt men fumbled in critical places, losing the ball in Auburn's territory in the last quarter, when its possession was the most important item. In fact, the fumbles cost Vanderbilt he game. There were many penalties assessed against each side. Many substitutes were used. This is the first time Auburn has played Vanderbilt in several years. The result is gratifying to Auburn men. It is asserted Auburn is now a most important contender for Southern football honors. The line-up: Vander-early left end. ... Kearley Shipb. ... left end.

The matter of circuit or other business reasons cannot be pleaded, for Lynchburg breaks the jump to Roanoke, and the town has night failed to meet its baseball obligations, excepting the salaries due players when Lynchburg was ousted, and these were not paid because the directors took the ground that the moral obligation for their settlement was on the league, and not the team.
